CHEROKEE COUNTY AMERICAN LEGION FAIR

While the Fair is sponsored by the Keith Reeves Post No. 3 of the American Legion at Columbus, upon the park owned by it, the Fair is a community institution. It is established by the Kansas Law in the interest of better community life and is supported in part by taxes which we all pay. While it is primarily dedicated to Agriculture, it brings us all together, makes us better acquainted and better friends than we would be. It is a good place to meet your friends and neighbors.

EXHIBIT SOMETHING

The fair will mean much more to you if you exhibit something in which you take personal pride and would like others to see. If you exhibit, you'll be there to see how your contribution looks compared to others and others will be there to do the same. We will get some new ideas and information as to how we may make an improvement, and thus have a successful fair. All exhibits entered at the Cherokee County American Legion Fair are entered and displayed at the risk of the exhibitor. Any exhibit accepted will be provided due care to protect them. However, the Fair Board or Extension Council/Staff cannot accept responsibility for loss or damage due to conditions which may be imposed by large crowds, arrangement of buildings or barns in which displays are housed, and the number of exhibits. Anyone who has exhibits of great sentimental and/or monetary value should carefully consider whether such exhibits should be exposed to the hazards of fair.

DEDICATED TO AGRICULTURE

No one shall act as judge who is related to any person competing for a premium. If any exhibitor files with the Superintendent a written statement that the judges or any awarding committee have been interfered within the performance of their duties, by a false statement, by a letter or circular or otherwise, or that one of the judges is related to the successful competitor, or have been directly or indirectly interested in the case in which he acts as committeeman, it shall be the duty of the board to withdraw premium until all the faces have been submitted to the board of directors.

OPEN CLASS ENTRIES
All classes and departments are open to entries from all counties and stated as open, except 4-H and F.F.A. Department. The exceptions for these departments are listed in the rules under the specific departments.

**ALL OPEN LIVESTOCK ENTRIES** must be made at the Cherokee County Extension Office, Box 148, Columbus, Kansas not later than 5:00 p.m., Friday, June 18th or a $25.00 late fee can be paid until Friday, June 25th at 5:00 p.m. All such entries will have guaranteed pre-assigned stall space. All livestock must be in place by 12:00 p.m. Tuesday, July 20th. All open livestock tattoos and registration papers will be checked after 12:00 PM on Tuesday, July 20th. A time and designated place will be posted. Early entries will be guaranteed space. All entries may be removed at 10:00 p.m. Saturday, July 24th, OR upon announcement of the 4H agent.

**QUONSET HUT:** Please note only two entries in any class per exhibitor. Quonset hut entries will be accepted beginning at 6:00 PM, till 7:00 PM July 18th, Sunday night and then open again July 19th, Monday morning 7:00 AM till 10:00 AM. Quonset hut judging will start Monday after 11:00 AM. All judging is closed to public. Crops, Home Economics, Flowers, Fine Arts, Photography & Crafts, and Amateur Wine competition **entries must be made and in place by 10:00 a.m., Monday July 19th**. All Quonset hut entries may be removed after 9:30 PM, Saturday July 24th. **All ribbons will be awarded on the quality of craftsmanship, not due to the number of entries in the class.** If there is one entry in the class, that doesn’t mean you get the 1st place. When an entry is made of an article, the Superintendent will give the party a card in duplicate, which will contain the number of entry class and must be attached to the article. No person shall receive more than one award on the same entry in the same class it is exhibited.

**CLASSIFICATIONS:**
- **A** – Adults (Amateur) (Anyone over 19 years old)
- **T** – Teens (Amateur) (13 to 18 years old)
- **J** – Juniors (Amateur) (12 years old and younger)
- **P** – Professional

**CAMPERS:** Camping spaces will go on sale beginning June 30th at 9:00 a.m. It will be open for one member of each family to buy their spot & up to one other family camp spot. This is a first come first serve assignment. Those planning to camp during the fair week are required to pay a $60 fee (payable to the American Legion Fair Board) which can be left at the Extension Office. **Assigned spaces will be given upon payment.** *Due to the limited amount of space available they will be sold for placement of a tent or camper only. Tents not using electric will pay $20. (Fair Board 4-03).

A fire lane will be marked off through the camping area. There will be no parking in the fire lane. This will be a tow away area at the owner’s expense. If you do not have room to park your vehicles in your camping area then you need to park someplace else.

**GENERAL INFORMATION AND RULES FOR BOTH OPEN AND 4-H/FFA**

No dogs on fairgrounds except dogs in the 4-H Dog Show, which are allowed only on day of the show and they must be on leash. **No parking between the 4-H bathrooms and north side of livestock barns at all times, except while loading/unloading.** This will be a tow away at owner’s expense. All grooming of goat, sheep & cattle are to be done on the Southwest end of the cattle barn only, no exceptions. All livestock trucks and trailers left over 24 hours must be parked in designated area, on the rodeo grounds. Every animal entered in competition for prizes must be owned by the exhibitor unless shown in a group. Competition for Championship honors must be limited to the first and second winners in the individual classes. Entries must be made in every case in which the animal is to be shown, either as an individual or as a member of a herd group or pair, except in the case of championships. **No animal can be entered in more than one individual class.**
Any person making a false entry or misrepresenting his animal as to age, or any other manner, will forfeit any prize that may have been awarded and will be excluded from all competition. No Premium shall be awarded to any animal or article that is unworthy. In case there is no competition, only one prize may be awarded and this shall be determined by the judge on merit and over his signature.

RULES FOR BOTH OPEN & 4-H/FFA

• Every rule in the premium list will be strictly adhered to and no exceptions.
• The Annual Fair of the Association will be held July 20th – July 24th inclusive, unless postponed or extended by the management which hereby reserves the right to do so, for any case or causes whatsoever deemed necessary for the good of all parties concerned.
• No disorderly conduct of any kind will be permitted. A police force will be on the grounds sufficient to see that all rules are obeyed.
No persons will be allowed in the Exhibit Building during judging except judges and Fair Officials.
• All Livestock, poultry, and rabbit exhibitors will be responsible for caring for their exhibits. All cooling systems will be provided by the fair board. No personal fans, coolers, misters, or foggers will be allowed unless voted and approved by the fair board.
• No animals shown in 4-H/FFA market classes will be allowed to show in open breeding classes the same year.
• All livestock must remain in their stalls from 9:30 a.m. to 9:30 p.m. each day of the fair.
Cattle must be in the barns from tie-outs by 9:30 am & may release to tie-outs at 9:30pm. Animals can be fed and watered at any time, but must remain stalled between 6:00 p.m.–9:30 p.m. Pens and stalls must be cleaned before 6:00 p.m. No tractor use should be done between 6-9:30 p.m. for the safety of spectators.
• Lights will be shut off at midnight in the barns during fair week (except in the area which will be showing their species the following day, lights can be left on there later, if necessary. A 1:00 a.m. curfew will be in place with adults and superintendents coordinating this effort.

RULES TO BE OBSERVED BY JUDGES IN THE ARENA

• During the exhibition in the arena no person will be allowed inside the ring except the judges and members of the board of directors and parties in charge of the stock.
• Exhibitors are not permitted to address the judge (unless spoken to by said judge while he/she is in performance of his duties).

SUPERINTENDENTS - RULES

• The superintendents will not allow any person to examine the entry books, nor give information as to entries made.
• Every article or animal on the grounds shall be under the control of the association, and while every precaution will be taken for the safekeeping of the same, neither the association, its officers, or agents, will be responsible in any case of loss, damage, or accidents that may occur.
• To be eligible for competition, whether single or group, animals must be the bona fide
Property of exhibitors and all animals entered for competition, except when otherwise specified, must be owned by the exhibitor prior to making entry. Should any be otherwise entered, they will forfeit any premiums awarded by the judges.

- The board of directors reserves the right to withhold premiums awarded in cases where it shall appear that the regulations have not been complied with or that fraud or deception has been practiced or attempted.
- Each superintendent of a department shall direct the arrangement for all entries or animals on exhibition in his/her departments.
- Each superintendent of exhibits is charged with caring for and returning entry books of his/her department, with the awards of each animal or article duly and properly entered therein and each award signed by him/herself and the judges who make the awards, as it is upon his record only that premiums can be paid.

**EXHIBITOR’S DUTIES AND PRIVILEGES**

- Any person making an entry of an animal or article, misrepresenting the same in any way will forfeit the premium and be excluded from competition.
- Exhibitors will be required to keep their space and stalls in a clean condition by removing any fifth and litter to where the sanitation force of the association may get to it with convenience.
- Livestock must be exhibited promptly when ordered to be shown

**Tagging system for unclean stalls or pens.** First offense - Yellow Tag - if the superintendent of that species finds the stall or pen unclean, the individual using that stall or pen has less than 10 hours, from the time that the tag was attached to clean the stall or pen. If the stall or pen has not been cleaned within those allotted 10 hours, an Orange Tag will be attached to the stall or pen by the superintendent of that species, but only after consulting with another superintendent of another species about the situation. If both superintendents feel it is necessary, the Orange Tag will be placed on the stall or pen. If it is still not cleaned at the end of the 10 hours, a Red Tag will be issued. In order to issue a Red Tag, the superintendent of that species must consult with a Fair Board Member and an Extension Board Member or Extension Agent. If the three involved feel that the situation deems the need of a Red Tag, it will be placed on the stall or pen and that individual must remove their animal from the premises and will not receive any premium money. All stalls and stall areas should be clean and presentable on premium sale day, in order to go through the auction.

**PREMIUM LIST**

**OPEN PREMIUM:** In making payments for premiums awarded, no award will be recognized except the superintendent’s entry book properly approved and signed by the superintendent and judge of the department in which the exhibit would be entered. No prize will be awarded unless the animal or article is worthy and this shall be determined by the judge. Exhibitors are expected to promptly obey orders of the management in placing their stock on exhibition at all times and are subject to the instruction of the superintendents of the department. Failure to comply with these regulations may cause a forfeiture of any and all premiums due to such offenses. No premiums shall be awarded or paid upon an animal or article for which no classification is provided or mention is made in this list, hereafter published. Open class livestock premiums will be paid in the Extension Office, all other open Quonset hut premiums will be paid in the fair board office. **NO PREMIUMS WILL BE MAILED.** Any ribbon premium not picked up by 11:00 pm on Saturday of the Fair will be forfeited to the Fair Board.
4-H/FFA PREMIUM: All prize money will be based on number of entrants and points allowed by the Fair Board listed under each class. PREMIUM MONEY WILL BE PAID TO EXHIBITORS AT THE EXTENSION OFFICE MEETING ROOM BETWEEN 3:00 P.M. AND 5:00 P.M., SATURDAY July 24th. Premiums not claimed at that time can be picked up at the Extension Office during regular business hours after the fair. Any ribbon premium not picked up by October 1st will be forfeited to fair board.

The Fair Association will award a premier exhibitor banner for 4H entries in each species of Beef, Dairy Cattle, Dairy Goat, Meat Goat, Sheep, Swine, Poultry, and Rabbits to the showman of their choosing, based on numerous factors. (Cleanliness, approachability of exhibitor, care of animal and other factors that the fair association deem appropriate) The premium for each specie winner will be $25.00. Banners and checks will be awarded after round robin but before the grease pig contest on Friday evening of the fair.

4-H/FFA RULES
NOTE: Regulations for 4-H/FFA Exhibits are subject to change. All announcements in newsletter or newspaper take precedence if changes have occurred after fair book has been taken to the printer. Each 4-H club member is encouraged to exhibit his/her projects at the local county fair.

FAIRS AND SHOWS
4-H members wishing to participate in a competitive event have the responsibility to ascertain the requirements established by sponsors of such an event. Those requirements are likely to vary from event to event and from time to time. 4-H members have the option of participating or not participating in those competitive events. Please note that rules and regulations for those parts of the fair designated for participation by 4-H members must conform to policies and procedures established by the Director of Extension. Participation in 4-H fairs is to be based on two principles:

1. The exhibit should demonstrate knowledge and skills learned in a 4-H project experience in a local 4-H club, group, event enrichment program, or individual participation.
2. The member should not benefit economically from multiple premiums, auctions or sales in major shows with the same exhibit.

An animal sold at a public auction or privately, whether for immediate or future delivery, cannot from the time of such sale, be shown by the seller in any subsequent 4-H show. This policy also applies to those animals which have gone through a premium auction, whether or not ownership has changed. All exhibits are intended to be the result of knowledge and skills gained in one or more 4-H experiences. Therefore, ownership time periods may be established for certain exhibits by the various shows and listed in the show’s rules and regulations.
4-H FAIR FORMS

Various 4-H/FFA events for the fair require pre-registration. If you plan to participate in any of the following please use the forms included at the back of this book. **NOTE ONLY ONE EXHIBITOR PER FORM.**

**NOTE:** no phone entries will be taken – you can email, mail, fax (429-2720) or drop them in the mail slot at the Extension Office. Entries are due by 5:00 p.m. on June 18th. All late entries will be taken beginning June 21st through June 25th until 5:00 p.m. with a $25.00 late fee per family. No entries will be taken after June 25th, 2021

**NOTICE:** All youth (4-H/FFA) livestock exhibitors must check in with their species superintendent or County Agent to make sure their animals are correct in the entry book, upon arrival at the fair.

**4-H GENERAL REQUIREMENTS**

**SPECIAL NOTE:** The 4-H/FFA youth organizations strive to develop life skills. These skills will enable young people to meet the challenges of the adult world with confidence. Unless the young people are allowed to perform tasks necessary to learn these skills, the goal of developing capable people will not be met.

THEREFORE, beginning with the 1997 fair, the use of private and/or professional trainers or fitters will not be allowed. If this situation occurs, the young person will be asked to remove their animal from the fairgrounds and all premium money will be forfeited. This applies to all animal exhibits.

- 4-H and FFA members are expected to wear appropriate show attire (no tank tops, halter tops, shorts, or open toed shoes.) when showing their animals: horse, dog, rabbit, swine, sheep, beef, dairy and goats. (Ask yourself; would these clothes meet my school’s dress code?) Cowboy hats are allowed to be worn in the show ring.
- Premium Sale - if possible 4-H and FFA members are encouraged to wear attire with their designated emblem (4-H or FFA).
- LIVESTOCK ARRIVAL AND DEPARTURE - Early arrival of livestock is not encouraged and **ALL** animals are to be removed by 8:00 a.m. on Sunday following the fair (unless being loaded out to local lockers) so clean up can proceed.

**CODE OF CONDUCT**

The following are from the Kansas 4-H Events Code of Conduct and ALL youth participating in the Cherokee County Fair are expected to follow them:

- You are responsible for knowing the rules for each event.
- Dress appropriately for each event. (See bullet point 1 under 4-H General Requirements)
- Use language and manners that will bring respect to you and Kansas 4-H.
- Know that the use of tobacco, alcohol and non-prescribed drugs are illegal and prohibited at all 4-H events.
- Model respect for others.
- Treat program areas and vehicles with respect and care. You will be responsible for any damage, theft, and/or misconduct in which you participate.
• Help others to have a pleasant experience by making every attempt to include all participants in the activities.
• Live up to your highest expectations for yourself.
• Harassment of any kind (for example: physical, social, emotional, sexual) is illegal and prohibited at all 4-H events.

COPYRIGHT LAWS
Exhibitors should avoid using copyrighted materials whenever possible by exhibiting his/her own original work. Exhibitors should use with caution a copyrighted and/or trademarked product or service (a brand name, label or product.) The intent of using the copyright or trademark materials for educational purposes such as an exhibit, educational poster/display or public presentation is acceptable under the “Fair Use” (“legal use” provision.) “Fair Use” is a provision of the current copyright law that allows reproduction without payment or permission of limited portions of a copyrighted work for educational and other public interest purposes. Regardless of the “Fair Use” provision, the inference that a specific name brand product is good or bad inherently, or through comparison, must be done cautiously, using acceptable research/comparison methods and have a disclaimer that the conclusions are those of the participant and not those of K-State Research and Extension. A copyright and trademark are legal methods used by writers, artists, corporations and others to protect their original work. Protected items may range from books, to music, logos, to computer graphics.

4-H LIABILITY
Exhibits at the Cherokee County Fair are entered and displayed at the risk of the exhibitor. Those members who have exhibits of great sentimental and/or monetary value should carefully consider whether such exhibits should be exposed to the hazards of the fair. All precautions will be made to protect exhibits.
1. The 4-H State Fair Rules prevail for 4-H Classification except where modified. Exhibits which meet State qualifications will be designated by a state fair sticker.
2. 4-H & FFA members must belong to a Cherokee County 4-H or FFA Chapter.
3. All entries must be in place according to the general fair rules and members must be enrolled in the project they are exhibiting, except where modified.
4. Purple denotes a superior exhibit; blue an excellent; red a good; white a merit exhibit.
5. All 4-H Club members and FFA members will compete in the same classes and compete against each other.
6. All 4-H and FFA members will be eligible to compete in open class providing they meet open class requirements.
7. Each exhibit must be owned by the individual exhibitor. The exhibits must be shown by exhibitor except when granted permission by species superintendent or in cases of having a second animal. If a second animal is owned by the exhibitor then a substitute showman may be selected but must be a current 4-H or FFA member within Cherokee County.
8. All 4-H and FFA exhibits will be judged as stated in the Calendar of Events in this premium book.
9. 4-H and FFA exhibits must be in place by 10:00 a.m., Tuesday, July 20th, unless stated otherwise under class requirements. Exhibits may be checked in between 8:00 a.m. till 10:00 a.m. on Monday, July 19th. All exhibits are released Saturday, July 24th at 10:00 p.m. or at the announcement of the 4-H Agent.
10. Pre-registrations are required by June 18th. Entries received from June 21st – 25th by 5:00 p.m. will require a $25 late fee per family. After that date you will not be allowed to participate. No phone entries accepted. Drop off, mail, or door slot at the Extension Office.
11. 4-H/FFA families exhibiting livestock will receive two parking permits. These will be distributed through the Extension Office beginning at noon Monday of fair week.
12. An appeal and grievance committee consisting of: Clark Hall, Brad Wells, Gary Drennan, and Dr. Kurtis Gregory will listen to and make decisions concerning 4-H disputes. All appeals must be presented in writing with $25 Cash to a member of the grievance committee. The money will be refunded if the appeal is upheld, otherwise it will be donated to 4-H Council. The committee will be in effect from the day of market beef first initial weigh in, until the Monday following the conclusion of the fair.

13. 4-H members must be 9 years or older to have entries at the State Fair.

14. NOTICE: Any minor caught with or using alcohol, tobacco and/or any illegal substance will be asked to leave the fair. If the person is an exhibitor they will forfeit all prize money, including premium from the livestock sale, and will have to remove all of their exhibits from the fair immediately.

- All entries in exhibit should be accompanied by exact location of trees. (This information is wanted so a source of scion wood can be located for future grafting and budding work.)
- All nuts exhibited are to be clean and attractive.
- Nuts of preceding year’s crops should be stored in a cool dry place so they remain free from rancidity and insect damage.
- Nuts in a single plate must be of a single variety. Plates containing nuts of more than one variety will be disqualified.
- All material entered in exhibits will be disposed of at the discretion of the county agent.

Explanation of Point Score:

Size- The larger nuts will be given preference.
Uniformity- The nuts on any one plate should be typical of the tree or variety and be uniform in size, form or shape, color or conformation.

Appearance- Nuts will be clean and free from discoloration, insect or disease.

Cracking Quality- Nuts will be cracked in a machine typical in principle of types used by large cracking companies. Nuts that crack out whole will be given high preference.

Filling & Plumpness- The kernels should be plump, full in the cavities of the shell. Shrunken or shriveled kernels will be heavily penalized.

Color of Kernels- The color should be right and attractive. Uniformity of color is important.

Quality of Kernels- Kernels should be free from rancidity and have a good flavor.

RULES
- Professionals are defined as those who make a living selling their work. Amateurs are those who create art as a hobby. Occasional sales do not disqualify.
- The Fair Board seeks to recognize honest quality and originality and these factors will be major items in judging exhibits.
- Entries must be the work of the exhibitor. Exhibitors may make no more than two entries in the same classification.
- Oils should be framed; watercolors and other media should be mounted or matted. Frames should have wire eyes in place for hanging.
- All photographs must be no larger than 8”x10” or no smaller than 7”x9”. Photos are to be mounted across the 11” dimension of an 11”x12.5” studio mount, which can be purchased at the Extension Office. The top edge of the print must be 1” below the top of the mount.
- On photos, no white data slip is to be used, not mounted.
• On photos, no lettering will be permitted on the mount of the picture. No
underlays or borders are to be used. The white trim should be removed from the
enlargement.
• Exhibitors may offer their work for sale, not to be removed before 9:30 p.m.
Saturday, July 24th.
• Articles previously shown at this fair will not be accepted for entry. Articles must
be the result of this current year.
• Professional class – no premiums, only ribbons.

LIVESTOCK HEALTH RULES 4-H AND OPEN CLASS
The following livestock health rules shall govern the admission of livestock to the fair grounds.

FAIR HEALTH REQUIREMENTS
2020 Requirements for Kansas County Fairs Kansas Livestock

GENERAL HEALTH REQUIREMENTS: All animals are subject to examination by the exhibition staff or their representatives and shall be free of clinical signs of infectious or contagious disease. Health certificates and additional requirements shall be a county option. Any animals presenting to the fair in a body condition score of 3/9 or less will not be allowed to remain at the fair.

LIVESTOCK ORIGINATING FROM OTHER STATES GENERAL REQUIREMENTS:
All animals (cattle, bison, sheep, and goats), shall be free of clinical signs of infectious or contagious disease and must be accompanied by a health certificate issued within 30 days of exhibit. This must be available, upon request, to the exhibition staff. All animals, except steers and spayed heifers, must be individually identified by official breed registration tattoo or tag, USDA metal ear tag, or breed association ear notch for swine.

MARKET LIVESTOCK RULES

1. 4-H/FFA livestock must comply with health regulations. No tranquilized, drugged, or needle injected for filling, animals will be allowed to be shown.
2. All market beef must have been born on or after January 1, of the previous year.
3. All feeder calves must have been born on or after September 1, of the previous year.
4. All market classes will be shown by weight rather than breed.
5. There will be a rate-of-gain and showing phase in the lamb, feeder calf, meat goat, swine, and beef market division. In all species each phase will be independent of the other.
6. Each animal will be ear tagged at first weighing so animals can be permanently identified. If tag is lost, contact the 4-H Agent.
7. Each 4-H/FFA member will be limited to carry and show two animals of each species, i.e. 2 beef market, 2 lambs, 2 barrows or gilts, 2 feeder calves, 2 meat goats, 2 broiler pens for the County Fair. Additional animals may be weighed and ID’s for showing at other shows. If you weigh in more than 2 animals at first weigh you specify at first weigh in, which 2 will be used for market.
8. Livestock classes will have a Junior, Intermediate, and Senior Division. A senior 4-H/FFA member is one who is 14 -18 years old on January 1 of the current year. An Intermediate is between the ages of 10-13 as of January 1 of the current year, and a junior is between the ages of 7-9 as of January 1 of the current year.
9. Only one animal can be sold through the premium sale ring per member.
10. Both ewe lambs and wethers can be shown in the market class, barrows and gilts can be shown in the market hog class, and does and wether goats can be shown in the market class. Feeder/Market calves may be steers or heifers.
11. NO BULLS, BOARS, BUCKS OR RAMS WILL BE ALLOWED TO SHOW OR SELL, ANY MALE ANIMAL WITH EVIDENCE OF TESTICLES PRESENT AT FIRST WEIGHING WILL NOT BE ALLOWED TO PARTICIPATE IN THE PROJECT. THIS RULE WILL BE ENFORCED.
12. All market animals must have an official 4-H ear tag and have been weighed in at the initial weigh in, except Swine. All goats & sheep must have scrapie tags at first weigh in. Market steers and heifers will be weighed the first time on February 19th. Feeder calves will be weighed on April 16th, swine must be tagged with option to
be weighed on April 17th, and market lambs and meat goats will be weighed on April 19th. **Dates are subject to change.** Feeder calves must weigh a minimum of 300 and a maximum of 750 at initial weigh-in. Feeder calves must gain 1 pound a day. Feeder Calves must weigh 999 lbs. or less at fair weigh in. Market calves must be less than 1,000 lbs. at the first weigh in. Animals will only be weighed once initial weigh-in.

13. The official weight for all market livestock to terminate rate-of-gain contest and to determine if animal sells, will be on the date of final official weigh in. Animals will be weighed only once to determine sale eligibility and show weight classification. When making Family Nominations for livestock, you must state which animal belongs to whom before the animal steps on the scale. There will be no changes after the animal steps on the scale. Family Nominations being in all eligible siblings or youth who legally reside in the same household, share the same legal address, and materially participate in the care of the project the majority of the time.

14. The time market animals are to be weighed at the fairgrounds are as follows:
   - **Chickens** – Monday, July 19th, 9:00 p.m.
   - **Hogs** - Tuesday, July 20th, 8:00 a.m. - 10:00 a.m.
   - **Feeder & Market Beef** - Tuesday, July 20th, 10:00 a.m. – 12:00 p.m.
   - **Meat Goats and Lambs** – Tuesday, July 20th, 7:00 p.m.

In order to be eligible for the sale, all animals must be within the following minimum-maximum weight range when they arrive at the Fair.

- **Market Beef** ............................................1,000 lbs. or more
- **Feeder Calves** ..........................................< 1000 lbs.
- **Hogs** ....................................................... 220 lbs. – 300 lbs.
- **Lambs** ....................................................... 90 lbs. or more
- **Meat Goats** ............................................. 50 lbs. or more
- **Broiler Hens** ............................................minimum 3 lbs. or more
- **Rabbits**....................................................... 

**No breeding animals are eligible for the sale**

For hogs to be eligible for sale they must meet 1 of the 2 options:

- **OPTION 1:** Hogs must weigh between 60 & 100 pounds at initial weigh-in and gain a minimum of 1.5 pounds per day until final weigh-in.
- **OPTION 2:** Hogs must weigh between 220 & 300 pounds at final weigh-in.

15. Any animal regardless of weight can be shown. However, an underweight or overweight class will be created if necessary, however, they will not be eligible to show for Grand Champion honors or for premium sale.

16. If an animal has been unnaturally filled with water to make weight, that animal will be disqualified from show and sale.

17. Each exhibitor, unless prior permission has been obtained from the 4-H Agent, must show his own animal in the conformation class to receive premium money. If two animals are entered in the same class, a fellow 4-H/FFA member may show one.

**RULES AND REGULATIONS FOR 4-H/FFA MARKET LIVESTOCK SALE**

1. Animals exhibited as Market livestock will be weighed in during designated official fair weigh in to determine if they meet the desired market weights. (Refer to arrival times under Market Livestock Rules.)
   a. Only ONE animal will be sold per exhibitor. If two or more species are shown, exhibitor must make the choice of which animal sells. This must be reported to the 4-H Agent by 9:00 p.m. Thursday night of fair week, otherwise highest placing animal will be listed on the sale bill.
Members may receive permission to excuse their animal from the sale only if they show it at the State Fair or Kansas Junior Livestock Show.

2. All livestock must be shown in their respective market classes to sell.
3. Sale order will be determined by the judge beginning with the Grand Champion. Species order rotates each year.
4. All animals accepted in the sale must be sold for premium to the highest bidder in the auction ring.
5. Auction of animal entries will start at 7:00 p.m. on Saturday, July 24th.
6. Each exhibitor, unless he/she has obtained prior permission from the grievance committee, must be present to sell his/her animal at the Livestock Sale.
7. Each 4-H/FFA member who sells an animal at the sale will be required to purchase a “Livestock Buyer Plaque” to be given to the buyer of each of his animals and will be required to pay their part of a newspaper advertisement which will list and thank all sale buyers.

ROUND ROBIN FITTING AND SHOWING

The beef, dairy cattle, sheep, horse, swine, meat goat, and dairy goat showmanship contest will be held on the day of the respective show and is open to all 4-H’ers who have pre-entered in this division.

• 4-H/FFA member must use their own same animal that was shown in the Fitting and Showing Classes.
• A Grand Champion Livestock Showmanship contest sponsored by Farmer’s Co-op will be held on Friday, July 23rd, at 7:00 p.m. in the livestock arena. An Intermediate and Senior Division will be held.
  1 - Intermediates - 10-13 on January 1, 2020
  2 - Senior - 14 to 18 on January 1, 2020
(See respective divisions for showmanship class numbers.)
• The contest will be open to the top intermediate and senior showman of each livestock division. If an individual wins in more than one species they must choose which animal they would like to show and reserve champion will be eligible in other species.
• Each showman will be required to show all species of livestock beginning with the species in which he/she has been declared champion and will be scored on his/her ability to present each livestock species to the judge.
• A ring man will be designated to direct the individual showman as prescribed by the judge of the contest.
• The top Champion in each livestock division in which he/she has been proclaimed champion must make the same animal he/she showed in winning the contest available to the other contestants participating in the contest.
• The pig will be penned in an arena of sufficient size that will allow showman to adequately present his/her pig to the judge.
• It will be the responsibility of each participant to have his animal thoroughly cleaned and groomed prior to the contest.
• The judge will examine the animals as they are led into the ring, owners of animals not properly groomed and thoroughly cleaned will have points deducted from their total score thus reducing their chances for the Grand Champion Showmanship trophy provided by Farmer’s Co-op.
• Should the top showman in any of the livestock showmanship contests fail to compete in the Grand Champion event, all premium money and prizes won in the individual species showmanship will be forfeited to the reserve champion of the species.

accompany entry describing the recycled materials and how they were used in
the item.

Educational Exhibit Classes: Share with others what you learned in this project.
Exhibits may be in the form of a poster, notebook or display. Follow copyright
laws as explained in the General Rules as you are preparing your exhibit. Take
care to select durable materials that will withstand Fair conditions. No card table
displays are allowed. If the exhibit is a poster, it must not be larger than 22”x28”.
If the exhibit is a display, maximum size is a 2”x3” tri-fold display board. Name
and county must be clearly marked in educational exhibits. The exhibitor may
attach an index card, no larger than 3”x5”, with the entry form to give the judge
any information which the 4-H'er thinks would be helpful for the judge to know.
Using a larger card will result in the exhibit being lowered one ribbon placing.

PREMIUM
PURPLE - $1.50  BLUE - $1.00  RED - $0.75  WHITE - $0.50
For the following classes

ENGINES

Engine Entries due in 4-H building no later than 9:30 a.m. Monday, July 19th.

- This division is open to members enrolled in the 4-H small engines project.
- All engines displayed must be free of external grease and oil.
- Engines not properly cleaned will not be allowed to be displayed.
- All exhibits should involve engines smaller than 20 horsepower for classes 101-103.
- Displays are limited to 4’ wide and 4’ deep - both upright and floor displays.
- For safety purposes and to eliminate the possibility of fires, engines should not have gasoline in the tank.
- Engines containing gasoline will NOT be accepted for display.

101 DISPLAY - Exhibit a display, selecting one of the following options: (1) a display identifying different engine or lawn and garden equipment parts, or a display showing the function of the various engine or lawn and garden equipment parts; OR (2) A display identifying and explaining the function(s) if different special tools needed for small engine work; OR (3) A display illustrating and providing the result of any one experiments that are included in the project books. No complete engines, lawn tractors, tillers, or chainsaws, etc. are permitted for display.

102 MAINTENANCE - Exhibit a display that illustrates either
(1) Routine maintenance procedures OR (2) Diagnosing and troubleshooting specific problems in an engine. No complete engines, lawn tractors, tillers, chainsaw, etc. are permitted for display.

103 OPERATION - Exhibit an operable small engine (no more than 20 HP) overhauled or rebuilt by the member. Include the maintenance schedule for the engine and brief description of steps taken by the member overhauling or rebuilding the engine.

WIND ENERGY

All exhibits in this division are limited in size to standard, tri-fold, display boards (36”x48”) and items may not extend beyond 12” from the back board. All displays must be self-standing.

104 EDUCATIONAL DISPLAY - Create an exhibit that addresses a focused topic related to wind power as a renewable energy source. The purpose of the exhibit is to uniform and create awareness.
105 EXPERIMENT – Display an experiment addressing a problem or question related to wind power as a renewable energy source. Include: hypothesis, background research, variables, a control, data, findings, conclusions and recommendation for the future study.

SMALL ENGINES, POWER OF THE WIND, ELECTRIC
The following exhibits will be evaluated by pre-fair conference judging at the 4-H Building on Wednesday, July 14th

- Only those who have met the requirements of the electric project are eligible to exhibit in this division.
- Exhibitor must enter in phase in which they are enrolled. No exhibitor may enter more than one article in each class, limit 4 classes.
- Article should be cleaned before exhibiting if it has been used.
- Gas engines cannot be exhibited in this division.
- A sheet of operation instructions should be furnished for any exhibit not self-explanatory. Exhibit should be able to be operated. If battery power is required, batteries should be furnished.
- Each exhibit must have an evaluation card completed and attached securely.
  - This card (available at the Extension Office) should include the 4-H’ers name and age, a description of the exhibit including the specific name and use, whether the exhibit is for indoor or outdoor use, and the cost of the project.

106 AC ELECTRIC PROJECTS- Electric projects with a 110 or 120v alternating current (AC) power source. Some project examples are household wiring demonstrations, small appliances, extension cords, trouble lights, indoor or outdoor wiring boards, or shop lights. Projects may be a restoration or original construction. The project must be 110/120v; no 240v exhibits are allowed, and must be constructed such that the judges have access to examine the quality of workmanship.

107 DC ELECTRIC PROJECTS- Electric projects with a battery or direct current power source. This class also includes demonstration DC powered projects. Examples include: wiring two or three way switches, difference between series/parallel lighting circuits, or wiring doorbells, switches. All DC electric projects must work with batteries supplied by the 4-H’ers. Projects must be constructed such that the judges have access to examine the quality or wiring workmanship.

108 ELECTRIC PROJECTS - Electronic projects with a battery or direct current power source. This class includes electronic kits or original projects. Examples include radios, telephones, toy robots, light meters, security system, etc. May be constructed using printed circuit board, wire wrap, or breadboard techniques. Include instruction/assembly manual if from a kit. Include plans if from an original project. Projects must be constructed such that the judges have access to examine the quality of workmanship.

109 EDUCATIONAL DISPLAYS and EXHIBITS – This class includes any educational displays, exhibits or science fair projects which DO NOT have a power source, i.e. exhibits, posters or displays of wire types, conduit types, electrical safety, tool or motor parts identification or electrical terminology. Educational displays and exhibits must be legible from a distance or four feet.

PREMIUM
PURPLE - $1.50 BLUE - $1.00 RED - $0.75 WHITE - $0.50
For the following classes

- 4-H members may choose to exhibit in the Collection or Educational class for each phase, or both. Individual entries are to be placed in Plexiglass covered boxes 18in.x24in.x3in. (Maximum). See the specific phase for box and specimen number limitations. The preferred method is to arrange the insects in groups or rows parallel to the short sides of the box. Specimens are to be arranged in the box according to Order.

- Each exhibitor is required to identify each box by placing an identification label bearing exhibitor’s name and county and the class. One label goes in the upper left hand corner of the box (inside) and the other on the back of the box (outside). The number of orders, specimens and families where required must be included on the exhibitor’s box identification label.

- Emphasis in judging will be placed on the overall variety of Kansas insects represented in the collection, accuracy of identification, skill and technique acquired in mounting of specimens and overall arrangement and appearance of the collection.

NOTE: Specimens of soft bodied insects such as aphids, lice, Collembola, termites, etc. should be exhibited in alcohol filled vials; however, the use of alcohol filled vials should be limited to only those specimens that lose their shape when pinned, since the vials pose a significant hazard to the rest of the collection if they become loose in transit.

Educational Classes
Educational Classes are limited to one standard box and a maximum of 150 specimens and work performed during the current year. Title of the exhibit should be indicated inside the box. The purpose of the project is to learn more about the importance, life cycles, biology, ecology, diversity, etc. of the insects and related Arthropods. Subject matter can be as varied as the animals themselves.

NOVICE ENTOMOLOGY
101 Any collection of insects gathered the first year. Insects are to be identified. (Not eligible for State Fair.)

BEGINNING ENTOMOLOGY I
102 COLLECTION- Display in one standard box a minimum of 50 and maximum of 125 species representing at least 7 orders. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. Two labels are required on each specimen. First label directly beneath the insect, centered on the pin, is the common name label. Common name refers to the commonly accepted name for the insect. Examples of common names include grasshoppers, cockroaches, or walking sticks for insects that belong to the Orthoptera. When in doubt, use the common name designed for the group in question. The second label is a date/locality label. It will be centered on the pin beneath the common name. 4-H’ers can exhibit in this class a maximum of three years.

103 Beginning Educational Exhibit
BEGINNING ENTOMOLOGY II
104 COLLECTION- Display in one standard box a minimum of 50 and maximum of 150 species representing at least 9 orders. Specimens should be grouped according to order. Order labels should be pinned to the base of the box. 4-H’ers can exhibit in this class a maximum of three years.

INTERMEDIATE ENTOMOLOGY
105 COLLECTION- Display in one standard box a minimum of 100 and maximum of 300 insects representing at least 10 orders. Two standard boxes can be used. All specimens should be grouped by order; in addition, all insects in any two of the following six orders: Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera, and Hymenoptera, are to be identified by family and the number of families in the orders must be recorded on the box identification label. Families represent subdivisions of order groupings and family labels will be pinned to the bottom of the box to represent subdivisions of the appropriate order. Two labels will be centered as a common name for specimen belonging to the six basic orders acceptable as a common name for specimen belonging to the six basic orders where family identification is required. The common orders name may be used as the common name of specimens that belong to those orders where family identification is not required. 4-H’ers can exhibit in this class a maximum of three years. Use caution since some of the orders not being identified to family do have major subdivisions. In the order Lepidoptera for example, common name of specimens would technically correct as moth, skippers, or butterflies.

ADVANCED ENTOMOLOGY
107 COLLECTION – Display a minimum of 100 and a maximum of 300 insects representing at least 12 orders. Two standard boxes can be used. Family identification is required for all insects belonging to the six basic orders as outlined under the intermediate phase. Family identification of insects in the remaining orders is optional, but desirable, as long as accuracy is maintained. Two labels are required for each specimen- first the common name label followed by the date/locality label, both of which are centered on the pin beneath the insect. The guidelines detailed under the intermediate phase may also be used in the advanced phase, except that all butterflies appearing in the collection should be labeled with the correct common name.

ENTOMOLOGY COLLECTION NOTEBOOKS
109 Beginning 1 Entomology Collection Notebook: Display in one 3-ring notebook a collection of photos with a minimum of 10 and a maximum of 30 insect species representing at least 6 different orders. Species pages should be grouped according to order. (Notebooks should contain 15 to 60 photos). 4-H’ers in their second year of this division need to list on a sheet of paper how many years you have been in this division of this project and what you did this year to improve your project. Place this paper just behind the Title Page in front of your notebook. A 4-H’er may exhibit in this class for a maximum of two years.

110 Beginning 2 Entomology Collection Notebook: Display in one 3-ring notebook a collection of photos with a minimum of 30 and a maximum of 60 insect species representing at least 7 different orders. Species pages should be grouped according to order. (Notebooks should contain 50 to 120 photos). In a separate
section, 4-H’ers should include pictures of different life stages or a series of specialized body parts (such as legs or antennae) for at least one order of insects. 4-H’ers may also include pictures of damage or habitat in this section. A divider should be put in front of this section. List on a sheet of paper how many years you have been in this division of the project and what you did this year to improve your project. Place this paper just behind the Title Page in front of your notebook. A 4-H’er may exhibit in this class for a maximum of three years.

Intermediate Entomology Collection Notebook: Display in one 3-ring notebook a collection of photos with a minimum of 60 and a maximum of 100 insect species representing at least 9 different orders. Species pages should be grouped according to order. Pictures in any two of the following six orders should be identified to family: Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera, and/or Hymenoptera. (Notebooks should contain 100 to 200 photos). In a separate section, 4-H’ers should include pictures of different life stages or a series of specialized body parts (such as legs, antennae, specialized mouth parts, or identifying features) for at least two orders of insects. 4-H’ers may also include pictures of damage or habitat in this section. A divider should be put in front of this section. List on a sheet of paper how many years you have been in this division of the project and what you did this year to improve your project. Place this paper just behind the Title Page in front of your notebook. A 4-H’er may exhibit in this class for a maximum of three years.

Advanced Entomology Collection Notebook: Display in one 3-ring notebook a collection of photos with a minimum of 100 insect species representing at least 12 orders. Species pages should be grouped according to order. In addition, family identification is required for all insects in the following six orders: Orthoptera, Hemiptera, Homoptera, Coleoptera, Diptera, and Hymenoptera. Family identification in the remaining orders is optional, but desirable as long as accuracy is maintained. (Notebooks should contain 100 to 200 photos). In a separate section, 4-H’ers should include pictures of different life stages or a series of specialized body parts (such as legs, antennae, specialized mouth parts, or identifying features) for at least two orders of insects. 4-H’ers may also include pictures of damage or habitat in this section. A divider should be put in front of this section. List on a sheet of paper how many years you have been in this division of the project and what you did this year to improve your project. Place this paper just behind the Title Page in front of your notebook. Members may continue to exhibit in this class for an unrestricted number of years as long as they remain eligible for 4-H membership.

All leaf exhibits are to be mounted on 8-1/2" x 11" heavy stock paper and placed in loose leaf binders. (Magnetic or adhesive filler sheets for photographic prints are recommended.) Twigs and fruit collections may be exhibited in whatever manner you choose (maximum exhibit size 2" x 3"). Leaves should be identified with an appropriate label located near the leaf on the same page. These labels should include:

1. The proper common name as listed in the 4-H Bulletin 334, “List of Native Kansas Forest Trees”
2. Location (city, and/or county) where collected: and
3. Date (day, month, year collected)

For ideas on mounting, see the Forestry Project booklet (4-H 279).  
Divide Specimens into the following two sections: Native Kansas Trees, and Non-Native Trees.

New Specimens collected during current year cannot be a duplicate species of a previous specimen. When replacing a “previously displayed” sample, the label must be updated and the specimen displayed in the “old previous” section.  
Have samples grouped according to the year (such as “old-previous” and “new”). Variations of varieties do not count as different species or specimens.

INTERMEDIATE 4-H FORESTRY  
Knowing Trees as Individuals (Leaf Collections**)

101 Beginning: Exhibit leaves of a minimum of 10 different (at least 5 specimens are “new”) native Kansas trees, or leaf, twig, and fruit of five different native trees. Can include non-native specimens in addition to the required native Kansas trees specimens.

102 Intermediate: Leaf specimens only. Exhibit leaves of a minimum of 20 (includes at least 10 “new” in addition to those previously exhibited) different native Kansas trees, or leaf, twig and fruit of 10 different trees (include at least 5 “new” in addition to those previously exhibited). Can exhibit nonnative in addition to the required native Kansas trees.

103 Senior: Exhibit leaves a minimum of 25 (includes at least 5 new leaves, 5 new twigs, and 5 new fruit of the same species in addition to those previously exhibited) different native Kansas trees (not shrubs) or leaf, twig and fruit of 10 different trees (includes at least 5 new in addition to those
previously exhibited.) Can exhibit non-native in addition to the required native Kansas trees.

104 Advanced: Exhibit leaves of a minimum of 40 (includes at least 20 new specimens) different native Kansas trees, or leaf, twig, and fruit of 20 different trees (includes 10 new plus those from previous exhibits). Can exhibit non-native in addition to the required native Kansas trees.

** Exhibit one complete leaf where possible. Where leaf is too large, exhibit as much of terminal portions as possible. Sketch in reduced scale the entire leaf and illustrate where the exhibited portion comes from.

**HOW A TREE GROWS**

105 Display: Entry may include a project notebook with 10 or more seeds collected with pictures showing a germination study or a mounting of a thin section of wood cut from the end of a log or top of stump labeled with information, such as kind of wood and age of tree when cut or exhibits an illustration of how a tree grows.

**TREE APPRECIATION**

106 Entry may include a research or reporting project notebook with no more than 10 pages based on the exhibitor’s selected tree. This notebook may include sketches, drawings, pictures, a story, or any other things which will help tell about the tree you have selected. DIVISION B

**SENIOR 4-H FORESTRY**

**GROWING AND PROTECTING TREES**

107 Display: Entry requires project notebook telling about project and pictures before, during, and after planting seedlings.

**TREE CULTURE**

108 Display: Entry requires project notebook showing your project work and includes pictures of before, during and after wood lot improvement.

**HOW FORESTS SERVE US**

109 Display: Entry may include collected wood samples (all or partial) and 500-word essay. Wood sample display to be mounted on poster board or any stiff material no larger than 2' wide x 3' high. Essay should be displayed in a covered binder.

**EDUCATIONAL/CREATIVE EXHIBIT**

110 Display: Entry must be directly related to tree identification or Forestry. Type of exhibit is open (notebook, poster, collection box, etc.), given a maximum size of 2’x3’. Care should be taken to use durable materials. This is a good class to exhibit an unusual collection.
DEPARTMENT E 4-H EXHIBITS
DIVISION E10
GEOLOGY & LAPIRADY
Entries Due: June 18th

PREMIUMS
PURPLE - $1.50 BLUE - $1.00 RED - $0.75 WHITE - $0.50

- Geology exhibits will be judged conference style on Monday midmorning of fair week. The standard size exhibit box should be 18” x 24” x 3½”. All specimens are to be arranged across the narrow (18”) dimension of the exhibit box, making the exhibit 18” across the top and 24” deep. If a box has a sliding Plexiglass cover, it must be removable from the top. Screws, locks or other devices that would prevent judges from removing Plexiglass cover should not be used.
- Each exhibitor is required to identify each display box by placing an identification label bearing name, county, and number of specimens in the upper left-hand corner of the glass cover (inside - use clear double-sided tape to adhere gummed labels) and by attaching a label with the same information on the lower right corner of the box (outside).
- Exhibitor may enter in both geology and lapidary classes.
- Exhibitor may show in only one of the first three geology classes (106, 107 or 108).
- Exhibitor may also show in geology class 109 (special exhibit) and in one or more of the lapidary classes.
- Geology specimens should be labeled with the number of the specimens, date collected, specimen name or description, and locality (county) where collected.
- Novice Classes - not eligible for State Fair, need to add 6 new Specimens each year after first year.
  101 Novice Class (First year exhibit - nine specimens) three rocks, three minerals and three fossils.
  102 Novice Class (second year exhibit - minimum 12 specimens) add six new specimens.
  103 Novice Class (Third year exhibit - minimum 18 specimens) add six new specimens.
  104 Novice Class (Fourth year exhibit - minimum 24 specimens) add six new specimens.
  105 Novice Class - Educational Display relating to project work.
  For the Geology classes 106, 107, 108 specimens should be mounted in the box by proper groups: rocks, minerals, fossils. All specimens must be collected from locations in Kansas. Out-of-state specimens will not count in the minimum number for the class, nor will they be considered in the judging.
  106 Display at least 15 rocks, minerals or fossils collected during the current 4-H year. Limited to one exhibit box 18”x24”x3 ½” with Plexiglass cover. This is for first year geology project members or those ages 7-10.
  107 Display at least 30 different rocks, minerals or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. Limited to one exhibit box 18” x 24” x 3 ½” with Plexiglass cover. Fossils must be identified at the Phylum level - can only enter this class for two years.
  108 Display at least 45 rocks, minerals or fossils, at least 5 of each. Fifteen must be collected during the current year. More than one specimen of the same kind of rock or mineral
or species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (Fort Hays limestone, not just limestone; exact species must have different formation names listed on the I.D. card; Composite Brachiopod from Morrill Limestone not just Brachiopod or Composite Brachiopod). Exhibit limited to two boxes 18” x 24” x 3-1/2” with Plexiglass cover. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum level.

109 Display at least 60 rocks, minerals or fossils, at least 5 of each. Fifteen must be collected during the current 4-H year. More than one specimen of the same kind of rock or mineral of species of a fossil may be exhibited if this duplication represents different geological formations. Specimen label must show this distinction (see example from class 912). Exhibit limited to two boxes 18” x 24” x 3-1/2” with Plexiglass cover. Exhibit must include approximately 15 specimens of current year’s work. Rocks must be identified by their proper name and type. Fossils must be identified to the Phylum, Class and Genus levels if possible. This class is open to those ages 14 and older.

110 Exhibit relating to everyday living; or to a mineral test, a rock formation, geological history, species of a fossil, forms of one mineral, a variation of one kind of rock, archaeological artifacts, or Indian artifacts. Exhibit limited to 4 feet of table space. Care should be taken to use durable materials that will withstand fair conditions. Exhibitor may show in the class regardless of number of times they have exhibited - may also exhibit in lapidary class.

The Lapidary will be judged on the following criteria:
- Workmanship and Content 60 points
- Presentation and Showmanship 30 points
- Accuracy of Information 10 points

Lapidary exhibit boxes may be standard size, 18” x 24” x 3-1/2” or a smaller 18” x 12” x 3-1/2” size if appropriate. Specimens should be arranged across the 18” dimension of the exhibit box. All boxes must have a removable Plexiglass cover.

111 Display at least 30 stones and minerals that will cut or polish. Five of the specimens must be collected by the member from the native site (not limited to Kansas). Polish 15 of the gemstones by tumbling. Label, giving identification of material and county where collected, or state or country of origin for non-Kansas material.

112 Exhibit at least 6 gemstones and minerals that have received lapidary treatment. Lapidary treatment may consist of tumbling, polishing and end or face or flat lapping. Specimens must represent at least 3 different gemstones and minerals and include at least 3 cabochons of any size or shape. Three of the specimens must be mounted. Label specimens as appropriate including locally (state) where originated. Exhibitor may also exhibit in any other geology class.

PREMIUMS
PURPLE $1.50 BLUE $1.00 RED $0.75 WHITE $0.50
For the following classes

Hybrids & Varieties must be stated on label. All plant materials must be grown and/or collected by the exhibitor; not purchased.

Classes

Corn – Ten ears or one gallon jar that hasn’t been entered in prior years
101 Yellow Corn
102 White Corn
103 Popcorn

Grain Sorghums – ten head exhibit
104 Hybrid Grain Sorghum
105 Hybrid Forage Sorghum – Exhibit to consist of the entire plant, no roots
106 Other Forage Sorghum

NOTE: all classes calling for a gallon sample (wheat, oats, barley, alfalfa, brome grass, soybean or edible field bean) may have 2x3 in. diameter Styrofoam cylinder places in the gallon container to reduce the amount of grain to about three quarts.

Other – Use a 1 gallon sample
107 Soft Red Winter Wheat, variety or hybrid must be named
108 Hard Red Winter Wheat, variety or hybrid must be named
109 Hard White Wheat, variety or hybrid must be named
110 Alfalfa seed
111 Oats seed
112 Barley seed
113 Brome Grass seed
114 Other Tame Grass seed
115 Soybeans (2018 project) Variety must be named
116 Miscellaneous Crop – Exhibit to consist of one gallon sample of seed or 10 heads produced from current project. Variety must be named
117 Alfalfa – Exhibit to consist of one flake or slice from a rectangular bale, or a 10" section cut from a round bale. The flake or slice should be approximately 6 inches in thickness and tied in two directions. Variety must be named.
118 Grass hay 10" flake or slice, 6 inches thick and tied in two directions. Variety must be named.
119 Soybeans – bundle of five plants grown during current year. Variety must be named.

Sunflowers
120 Confectionery Heads – 3 heads must be submitted.
121 Confectionery Seeds in jar – 1 gallon jar must be submitted.
122 Oil Seed heads – 3 heads must be submitted.
123 Oil seeds in jar – 1 gallon jar must be submitted.
Garden
124 Garden Display

Display each exhibitor in this class will be limited to four square feet of space. The garden display should be exhibited in a tray, basket or container that can be easily moved by the fair staff. Exhibit consists of five different types of fresh vegetables or fruits. Canned products and shelled vegetables are not acceptable. Only one variety of each type of vegetable or fruit may be exhibited. The numbers of the five types of vegetables or fruits to be exhibited are as follows:

LARGE VEGETABLES (ONE EACH): Cabbage, Eggplant, Large Pumpkin, Summer/Winter Squash, Watermelon, Cantaloupe, other large vegetable

MEDIUM VEGETABLES (FIVE EACH): Beets, Carrots, Cucumbers, Decorative Gourds, Miniature Pumpkins, Okra, Red or White Onions, Bell or other type of pepper, Sweet, Red, White, or Russet Potatoes, Tomatoes, also Cherry Tomatoes, parsnips, Turnips, or other similar sized vegetables.

SMALL VEGETABLES (TWELVE EACH): Green Snap Beans, Wax Beans, English Peas, Radishes, or similar sized vegetable

SMALL FRUITS (ONE HALF PINT BOX): Strawberries, Blackberries, Raspberries, or other similar sized fruits

TREE FRUITS (FIVE EACH): Apples, Pears, Peaches, or similar sized fruits.

GRAPES (2 BUNCHES)

Only one entry can be made in each of the following classes: (Unless it is a different variety)
125 Fruits – 5 apples, peaches, etc. or bowl of berries
126 plate of 5 tomatoes
127 plate of 5 cucumbers (variety should be named)
128 place of 5 beets
129 plate of 5 onions (red) (variety should be named)
130 plate of 5 peppers (bell)
131 plate of 5 carrots
132 1 watermelon
133 1 summer squash
134 1 pumpkin
135 1 eggplant
136 1 cabbage (no state fair class)
137 1 cantaloupe
138 plate of 5 red potatoes
139 plate of 5 white potatoes
140 plate of 5 sweet potatoes
141 plate of 12 green beans
142 plate of 12 yellow wax beans
143 plate of 5 turnips
144 plate of 5 cherry tomatoes
145 plate of 5 white onions
plate of 5 yellow onions
plate of 5 peppers (other)
plate of 5 okras
other vegetable (variety should be named)
1 winter squash
plate of 5 parsnips
fresh culinary herbs, six stems (example – parsley, basil, dill, etc.) Exhibits in a disposable container of water. Dried herbs are not accepted.
Small Fruits (1/2 pint box) Ex: Strawberries, Blackberries, Raspberries, or other similar sized fruit.
Tree Fruit (plate of 5) ex: apples, pears, peaches, etc.
Grapes (plate of 2 bunches)
Horticulture notebook entry shall consist of a notebook or three ring binder of written narrative describing a horticulture project, such as a landscape design, landscape installation, lawn renovation, water garden, flower garden, vegetable garden, lawn mowing service, landscape maintenance business, farmer’s market business, or other horticulture project. 4-H’ers are encouraged to include photographs, illustrations and/or landscape drawings that help explain work done by the member. Photos taken from the same location before, during and after the completion of the project are particularly helpful.

Entries Due: June 18th  
Photography exhibits will be evaluated by pre-fair conference judging on July 14th from  
Beginning at 9:00 a.m. and Ending at 11:00 a.m.  

PREMIUMS  
PURPLE - $1.50  BLUE - $1.00  RED - $0.75  WHITE - $0.50  
FOR THE FOLLOWING CLASSES  

RULES  
- Black and white and color photographs may be exhibited in all classes.  
- The Fair Board will collectively decide on a 4-H photograph entered into the  
current year’s fair to use as the front cover of the fair book for the following fair  
year. 2 Fair Arm Band or cash value for early arm band sale, will be awarded.  
your name, 4-H club, and age will be displayed in the front cover of the fair book  
for accreditation  
- Each Exhibitor will be limited to two entries per class number.  
- Exhibitor may enter only in classes for unit in which enrolled this year.  
- All photos must be no larger than 8” x 10” and no smaller than 7” x 9”. Photos  
are to be mounted across the 11” dimension of an 11” x 12.5” studio mount,  
which can be purchased at the Extension Office. The top edge of the print must  
be 1" below the top of the mount.  
- No white date slip is to be used, nor mounted.  
- No lettering will be permitted on the mount, or on the picture. No underlays or  
borders are to be used. Each exhibitor's name, address, and location where the  
photo was taken should be written on the back of the mount.  
- Photographs exhibited must be the result of the current year’s project work.  
- Photo exhibits should be mounted with spray adhesive. The "whitest and  
smoothest" side of the matte board should be used.  
- Place photo exhibit (except for special division entries) in a two-gallon zip top  
bag. *Do NOT seal bag so photo is accessible during judging.  
- Photographs taken with a digital camera and having no more adjustments than  
exposure, color intensity or correction, red eye removal, cropping, dodging and  
burning should be entered in the standard color or black and white classes.  
- Digital Composite Image: Finished photo must be created from two or more  
original images photographed by exhibitor. HDR photos do not qualify for this  
class Photos will be judged on photographic merit as well as manipulation
technique and process. Ribbon placement will be determined by combining the score of each judging section. The black and white class is for black and white prints only. Monochromatic prints, including sepia prints, are considered color photos and must be entered in the appropriate color photo class.

- If mounted incorrectly you will be dropped 1 ribbon placing.
- Photos with line subject matter on railroad right of way or taken from railroad right of way property will not be accepted for entry into the fair and will be sent home.

PHOTO CLASSES

101  Color photos taken by 4-H member with 3 years or less in the project.
102  Color photos taken by 4-H member with 4-7 years in the project.
103  Color photo taken by a 4-H member with 8 years or more in the project.

NOTE: A color photo taken with a digital camera and printed without any more enhancement than could be done in a photo darkroom, would be no different than a photo from film, entered in class 101 or 102.

104  Black and white photos taken by 4-H member with 3 years or less in project
105  Black and white photos taken by 4-H member with 4-7 years in the project.
106  Black and white photos taken by 4-H member with 8 or more years in the project.

NOTE: There will be a grand and reserve grand awarded in each of the three color categories of experience in the project and each of the three black and white categories of experience in the project.

107  Digital Composite Image: Photo must be created from two or more originals taken by the exhibitor. Exhibitor must include a second 11 x 12-1/2 matte board (Explanation Board) mounted with standard size prints of the original photos, 3 x 5 card(s) explaining what manipulation was done and a standard size print of the final photo. Optional, may include prints of editing steps. Photos showing editing steps may be layered. Please put name and Extension Unit on the front of the second board. Explanation Boards will be displayed along with the finished board. Place both matte boards in the same protective plastic bag.

108  Videos - Entries must be full motion, not a series of still images, with pan or zoom motion added by a software program. All content must be the result of the current year's project work. All content must be original and created by the exhibitor(s) unless it's a signed copyright, use and/or performance releases are provided. Entries may be created by an individual or by a team. Talent, computer editing, titles, graphics, animation and music are allowed and recommended. Entries must be one of the following production types: Instructional, Informational, Documentary, Persuasive/ PSA, Story or Entertainment. Length must be no longer than three minutes with the exception of Persuasive/PSA, which must either be 30 seconds or 60 seconds. Entries will be evaluated on design characteristics, technical content, production quality, and effectiveness. Entries not adhering to the rules and requirements will be awarded a ribbon one placing lower than the placing determined by the official judges.

SPECIAL DIVISION - Not eligible for State Fair
These divisions are for color or black and white. Photos should be regular snapshot size, not enlarged. 4-H member may enter here in addition to the 8"x10" entries. Captions may be added. Open to all. Mount on poster board, 14" x 22".
Picture Display - An entry will consist of five pictures having at least one picture from each of these 5 areas: 1 - Landscape 2 - People 3 - Animals or Birds 4 - Buildings 5 - Plant/Flower or other

Picture Story Series - An entry will consist of a series of five to seven pictures which tell a story.

  Is the main idea specific? Is the idea presented clearly, simply, forcefully?
- Interest, Holding Power: 15
  Does the exhibit give the observer additional facts in a clear, concise informative way?
- 4-H Project Application: 15
  Is the subject matter an effective showcase?
- Mechanical Power: 5
  Correct letter size, pleasing color combination, appropriate symbols, and models?
- Personal Growth: 25
  How much knowledge was gained by exhibitor?
- Educational Value: 25
  Knowledge shared?

CLASS 101 Educational display. Must be directly related to the Shooting Sports project.

DEPARTMENT E 4-H EXHIBITS
DIVISION E17
SPACE TECH- ASTRONOMY, ROBOTICS & ROCKETRY

Each rocket must have been flown prior to the fair.

Rockets may or may not be exhibited on their launching pad. If exhibited without the launching pad, they must be able to stand freely by itself. Wooden or metal support rods must not extend past the tip of the nose cone.

The 4-H Rocket Exhibit Information form must be completed and glued to an 8-1/2” x 11” envelope. Place the plans for the rocket inside the envelope.

Photographs are also required with the exhibit. Place one 8-1/2” x 11” page of photographs, only one side covered, inside the envelope. One or more photographs of the rocket at the launch site are required.

Photograph showing rocket at the moment of ignition is preferred.

Photograph should be mounted on one single-sided 8-1/2” x 11” page, at least one page but not more than five.

Angles of the fins must fit a plus or minus two-degree variation.

Exhibit must be smooth and uniform, properly assembled and painted according to accompanying plans.
• Starters are not permitted with the exhibits.
• Beginner kits with prefabricated plastic fin assemblies and prefinished rockets requiring no painting are not acceptable.
• Exhibitors who exhibit a rocket using a size E engine or larger will be required to provide National Association of Rocketry (NAR) membership number on the exhibit information sheet.

CLASSES
101 Rocket made from kit - 1st or 2nd yr.
102 Rocket made from kit - 3rd yr. or more in project
103 Rocket made from original materials (no kit parts on rocket.) An exhibitor may enter up to two rockets at the State Fair. One must be entered as a kit and the second must be entered as “designed by exhibitor”.
104 Rocket designed by 2 or more exhibitors, not merely modification of an existing kit rocket, including original plans.
105 High power rockets made from Kit or original design. (4-H member must be enrolled in Aerospace and be at least 14 years of age by January 1 of the current year. *The NAR High Power Rocket Safety Code applies to the construction and launching of all rockets displayed in this division. All rockets in this division are to be launched under adult supervision. If a rocket is launched using an engine(s) that has 160.5 ("H" engine or equivalent amount of smaller engines), Newton’s seconds or larger, adult supervision must be provided by an individual having high power certification. If according to Federal Aviation Regulations Part 101, a waiver is required to fly the rocket, a copy of that waiver is to be attached to the High Power Information Form. High Power Rockets may be displayed without a supporting stand. If a supporting stand is used, it is not to exceed 8” square and ¾” thick. In addition to the information packet completed for all rockets, a high power information form is to be completed and placed inside the information packet. If a safety violation is noted by the judges, superintendent, or other staff, the exhibitor’s rocket, at the judge’s discretion, will receive a participation ribbon. All information necessary will be given to the NAR and TRIPOLI for investigation and possible revocation of membership.

AEROSPACE/ROBOTICS
• Telescopes entered in this division may be a kit or original design.
• Beginner kits and pre-finished telescopes requiring no painting are not acceptable. Each robot must be able to stand or sit freely by itself, without additional supports. The robot’s dimensions must be no larger than 2 feet wide by 2 feet deep by 2 feet high. The report that accompanies the Robotics exhibit must be limited to the “4-H Robotics Exhibit Information Form”. The completed form should be glued to the outside of a 10” x 13” envelope. A copy of the robot’s construction plans must be entered with the exhibit in the envelope. At least two photographs of the robot entered must also be included - one must show the exhibitor during the construction phase and one with the robot during an actual time of operation. Photographs should be mounted on ONE side of an 8-1/2” x 11” page and placed inside the envelope. All electronic components of the robot must be adequately covered or concealed with a protective enclosure. All robots must include an on/off switch for operation. *Robots that include weaponry for the purpose of causing physical harm to another robot will be disqualified. Robots must be powered by electricity, battery, water or solar source. Any robot powered by fossil fuels or flammable liquids will be disqualified. Creativity will be a strong criterion in judging the “Robot Designed by Exhibitor” classes.

GPS/GIS

- The 4-H Geo-space project teaches concepts related to GPS (Global Positioning Systems and GIS (Geographic Information Systems), geospatial technology applications and future career opportunities.
- The 4-H members must be currently enrolled in the 4-H Space Tech project to exhibit in this division.
- Each exhibitor may enter one exhibit per class. Exhibit must have been completed during the current 4-H year and have been selected at the county level for entry at the State Fair level. Counties or district should select only top blue or purple ribbon GPS/GIS exhibits which meet State Fair guidelines.
- Educational display boards, posters and notebooks should be creative and showcase something specific you have learned in the GPS/GIS project during the current year. Follow copyright laws, as explained in the General Rules as you are preparing your exhibit(s).
- GPS/GIS exhibits may be checked out for use in a Kansas State Fair 4-H demonstration or 4-H illustrated talk with prior permission. For permission, check with the superintendent or Deryl Waldren. The exhibit must be returned to display immediately after the demonstration/illustrated talk or the exhibit will be disqualified.
- Educational posters must be no larger than 22” x 28” poster board.
- Educational displays are not to exceed a standard commercial 8’ x 4’ tri-fold display board. Commercially available Science Fair Presentation Boards are encouraged. Exhibitors are encouraged to laminate all posters and maps or cover them with clear plastic film.
- Project notebooks must be organized in a 3-ring binder.
- Exhibitor’s name, county or district, age and year(s) in project must be tagged or labeled in a prominent location on the exhibit, educational display, notebook, and/or poster.
- Team exhibits are defined as developed by two or more 4-H members.

Geocode Box. Include geocache box with contents, description and photograph of location in which box will be located. Check with www.Gecaching.com for instructions on place and description.

GPS/GIS Map - One map constitutes an entry. Map can be either informational or directional, computer generated or hand drawn. A map is a single product of the data gathering, manipulation and presentation skills. Multiple related maps should be entered under GPS/GIS Community Mapping Projects. Value is placed on youth that can model the learning process, or show how their skills have increased while completing the map.

GPS/GIS Map - Individual
GPS/GIS Map - Team
GPS/GIS Community Mapping Project. Two or more maps on a related project constitute an entry. Maps can be either informational or directional. Complete and attach a Map Project Description Sheet with the entry. Community Mapping Projects consist of a detailed goal and multiple applications of either GPS or GIS skills. A conclusion is reached, a problem was evaluated or studied, a solution was found (or the problem was better defined). Value is placed on youth that can model the learning process, or show how their skills have increased while completing the project.

124 Team Mapping Educational Display - Should show and explain the project in detail including printouts of maps, pictures of the project being done, who was collaborated with, and how the project results have, and will be, utilized. Exhibit must be labeled on the back with the following information for all participating members: name, club, county/district, age as of January 1, and date display was created.
125 Geography Educational Poster
126 Geography Display Board
127 Geography Notebook - Exhibit should include what was learned and knowledge gained about geography. Value is placed on youth that can model the learning process, or show how their skills have increased while completing the project.

George D. Sharp Memorial Greasy Pig Contest
(Sponsored by the American Legion Fair Board)

- The greasy pig contest will be held following the Round Robin Fitting & Showing and before barnyard Olympics on Friday Evening in the show arena.
- Participants must be a Cherokee County 4-H member and cannot have passed their 14th birthday by the time of the contest (7-13 years of age).
- As soon as one 4-H member captures the pig, other contestants must stay away. In case of a tie, a runoff will be held between the tied contestants.
- Whoever catches the pig must wash it immediately following the contest.
- The lucky winner **IS NOT** allowed to wash off in the 4-H restrooms when they are finished nor are any of the other contestants!

NOTE: The winner of the greasy pig contest will purchase a weaning pig the next year prior to weigh-in. Submit a bill to the American Legion Fair Board, who will reimburse the family up to $75.00, and the winner must show the pig at the fair.
- Previous winners are **not** allowed to enter again.

2018 Winner – Lauren French
2019 Winner - Phoenix Wade
2020 Winner – Brooklyn Paxson

4-H King & Queen Contest

- A 4-H King & Queen Contest will be sponsored by the Cherokee County 4-H Council.
- Each club will select a King & a Queen to represent their club.
- The King, Queen, and their first attendant will be selected by selling the most dollars-worth of tickets per member.
- All proceeds derived from the sale of tickets must be turned into the Extension Office on or before 5:00 p.m. MONDAY, JULY 19th.
- Any money turned in after the deadline will not apply toward the selection of the Fair King & Queen and the attendants.

The coronation will occur Wednesday, July 21st, before the Herding Heroes Sheep & Goat Show, at the show arena.

Cloverbud Program

The overall purpose of the 4-H Cloverbuds program is to foster the development of life skills that are essential for the cognitive, social, emotional and physical maturation of five-and six-year olds by providing a unique educational opportunity.

- Self-understanding skills (Initiating independence and self-direction)
- Social skills (Getting along with others)
- Decision-making skills (Making positive choices)
- Learning skills (Learning to learn)
- Mastering physical skills (Enjoying constructive and creative play)

Principles for Kansas 4-H Cloverbuds

- Fun
- Activity focused
- Noncompetitive
• Group-centered learning
• Leader directed
• Positive
• Success oriented

All’s quiet on the home front when you wean calves with MFA Cattle Charge.

Calves aren’t the only ones to benefit from stress-free weaning.

You’ll rest easy knowing your calves are healthy and gaining.

After all, weaning doesn’t have to be hard...on calves or on you.

MFA Cattle Charge is an essential part of the MFA Health Track Beef Alliance.

Available at authorized MFA suppliers.

MARKET ANIMAL

4-H/FFA LIVESTOCK DRUG WITHDRAWAL FORM need to return this form by June 18th in regard to the use of animal health aids, growth promotants, or other livestock substances, I am aware that:

- Chemical substances used in livestock production, disease prevention, or disease control have approved withdrawal ties before slaughter.
- Information on specific use and withdrawal times can be found on product label instruction.
- Tranquilizers and other non-approved substances should not be used for food animals.

Therefore, I certify that the animals I bring to this show have: (check one)

_____ while in my ownership, never been given any substance which required a withdrawal time before slaughter.

_____ complied with legal withdrawal times in the use of one or more approved chemical substances for animal health, growth promotion, or other livestock management practices.

I understand that a violation of approved usage of these substances may be prosecuted and that ANY ANIMAL at the fair is subject to comprehensive drug tests at the option of show management. The Fair Board and its officers and management will not be held legally responsible.

DISPOSAL FORM

As there will be no base bidders for market animals at the fair, those with market animals Please check the appropriate box (or boxes)

☐ My animal(s) will be returning home with me
☐ I need assistance in getting my livestock project (s) to market. (If so, list how many)
